

Guardianship Form

All students must have a parent or guardian present in Ethiopia who assumes full responsibility for the student. If the parent(s) or current guardian(s) will be out of Addis Ababa, not in cell phone range or absent from Ethiopia, they must designate another adult as the guardian during that time. The designated guardian will be the primary contact for the named students during the dates of guardianship, including for emergencies. The appointed guardian has the authority to direct medical intervention and emergency evacuation from Ethiopia. Parents will also be contacted, whenever possible.

Student Name(s): _____

Appointed Guardian: _____

Dates of Guardianship: From _____ To _____

If you are out of Addis or Ethiopia frequently, designate a guardian for the full year.

(dates may not extend beyond current school year; form must be renewed for next school year)
