

PARENTAL REQUEST FOR A SPECIFIC LEARNING ENVIRONMENT for 2017-18

The ICS Elementary Staff strives to strategically place students in learning environments that will foster success and promote growth in all areas of development. We believe parents are an important partner in this process, and we therefore welcome your input on the learning environment that you believe will best promote success for your child.

Classroom placements will be balanced based upon class size, gender, academic and social emotional needs. Please note that your responses are vital and will be seriously considered along with our other points of data as we determine class placements for next year. And though we value your input immensely, please also understand that we may not be able to accommodate every request. The information you provide will be shared with your child's current teacher, as well as the grade level team for the upcoming year.

Student's Name: _____

Current Grade and Teacher: _____

Parent Name: _____

In what type of learning environment is your child most successful?

What teacher characteristics have been most successful for your child in the past?

What special needs (academic, social, behavioral) does your child has?

Do you prefer to have your student placed with or separated from any specific peer? If so, please provide names:

	Placed with	Separated from
1. _____	<input type="checkbox"/>	<input type="checkbox"/>
2. _____	<input type="checkbox"/>	<input type="checkbox"/>

All requests must be submitted on this form and returned to the ES Office on or before May 12, 2017 in order to be considered.
