

SUSAN BALLANTYNE

Susan is the Assistant Principal in Elementary school and has been working at ICS for 2 years. She has 14 years experience as an Elementary School Principal and 2 years as Assistant Principal and has 36 years of experience in teaching. Before ICS she worked at the English Learning Centre and International School of Budapest in Hungary as well as at Sacajawea Elementary School in Great Falls Montana, USA.

Professionally she is passionate about doing whatever it takes to make sure that all students are learning and becoming world citizens. She is also passionate about making sure that teachers have the time and resources to work well in their Professional Learning Communities.

On a personal note she loves spending time on the beach with a great book or walking with her husband David and their dog, Bruno. In addition to this, her two children and two grandchildren are her pride and joy!
